Description: The practice of scales need never be monotonous! Scales for Advanced Violists is a user-friendly scale book with each of the twelve keys complete on two facing pages. Dozens of bowings and rhythmic variants are offered to develop and improve evenness, clarity, agility, speed, and intonation. An innovative introduction to double-stops takes the guess...

Review: Check every page of this book as soon as it arrives to make sure its printed correctly!!!The book is great, but the printing of our copy is horrible! My daughter didnt need it for a few weeks after I bought it, so we didnt even discover the problem until the return window had passed. There are actually MISSING NOTES (and FINGERINGS) on MULTIPLE...
